Much regret was expressed at the contents of a letter from the Secretary of the Interior in reference to the iron fence now surrounding the Betanic Garden. The association desired to secure this fence to replace the existing stone wall around the grounds of the Government Hospital for the Insane, but the letter stated that when this fence was removed from its present location it would go to surround the grounds of Freedmen's Hospital. In this connection, nowever, it was stated that Dr. W. A. White, superintendent of the Government Hospital, had included in his estimates an item of \$14,000 for such a fence.

Navigation on Waterway Ends Until Early Part of March.

Navigation is over for the season of the Chesapeake and Ohio canal, connecting this city with the mining regions of Maryland in the vicinity of Cumberland, and the water is now be ing drawn off the levels at the uppe end of the waterway. The railroad tie-carrying barge Ruth W., the last boa to start up the canal, was locked in late yesterday afternoon and a boat to go to Alexandria was locked out These were the last boats to use the Georgetown locks, and as soon as the Ruth W. reaches Seneca, Md., the let Ruth W. reaches Seneca, Md., the letting of the water out of the locks and levels at this end will be started.

According to report, the season has been a busy one on the canal and many thousand tons of coal were brought here from Cumberland mines. About 35,500 tons of coal was shipped in the big Consolidation Coal Company barge from Georgetown to New England ports and large quantities were also sent to the naval proving grounds at Indian Head, Md., for use of the nava powder-making plant. The canal will he idee until about the early part of Marci.
